(Reserved for Marcia)

Dear Anne,

Well, the end of another year has rolled around and with it a parting of the ways. You'll be coming back to Coker and Don and I'll be starting in the "College of Hard Knocks" and I'll be away from Jack. I hope it won't be as long as I'm anticipating, but you never can tell!

What a wonderful room-mate you've been this year. I know I'm not the easiest person to live with, but we've gotten along fine, although we haven't seen very much of each other. I admit I'm not much competition up against Donald Clarence.

Hope you'll never forget the N. Y. excursion and, of course, Sugarloaf and the Club parties. Gosh, almost forgot golfing. When you beat your father this summer just remember all the trouble we had learning and how many golf balls had to be dried out after a good dunking at the 1st hole.

Well, Anne, all in all it adds up to a lot of fun and I think we've shared a little bit of it.

The trips to Monroe and your very sweet family are never to be forgotten either. They're were that famous "Southern Hospitality" showed up.

This is only a preliminary to all I would like to write, but time and space are fast running out, so I'll say "So Long, but not Goodbye!" You can't get rid of me as easy as that. I'll be back to haunt you.

I wish you everything that goes along

Dearest Anne,

Hope you don't mind if I write right here on the first page. Anyway, it's too late now.

We've really had a wonderful time this past year, haven't we? I'll never forget the night we went to Florence and you got sick of that barbeque sandwich. But we sure did have a great old time. Also, I won't forget all those little get-togethers up on Sugarloaf. I don't think I've ever laughed as much in my life.

Now seriously, I want you to come down to see me this summer. Please write to me and let me know all the news in Monroe and about you.

Anne, I think you're just one of the greatest gals I've ever known. Your friendship to me this year has meant so much. I'll never forget it. Can't wait till next year and we'll be living right there together. We'll just have to "raise the roof." Okay?

I'm gonna try to get up to Monroe sometime this summer to see you and Julia. I know we'll have a great time.

Here's looking forward to next year. You be sweet and want to wish you and Don all the luck in the world. He's a cute guy! I'll be seeing you real soon.

WRITE me this summer. I'd hate to lose contact with you and Monroe.
Be good and stay sweet.

I love you,
-Marcia
"Jersey"

Ann,

This year we haven't had a chance to see too much of each other (except on Dunbar) because we've been living on opposite ends of the building, but I do want to tell you that I sure do like you and I hope you & Don will be very happy and have all sorts of luck.

I love you,

Ann Gay

Dear McQuinn,

It sure is good to know that when we say "good-bye", it'll be seeing a lot of you next year - and I can't wait. This year has been wonderful and I hope next year will be even better. Keep up with that Big Boy and come back during the summer. Maybe we can escape to the coast again.

Be good this summer and I will give the best of everything.

Love always,
Daddy

Dear Anne,

These two years have been so much fun! I'm going to miss not having you next door to run in and bother us with something - you & Don can have Richardson all to yourself after the Canteen is closed next year. (But then Jan you can go out every night come next year!) Don't forget those Sociology & French classes & all(?) That we learned -

May you have the very best of everything always -

Love you heaps!
Daddy

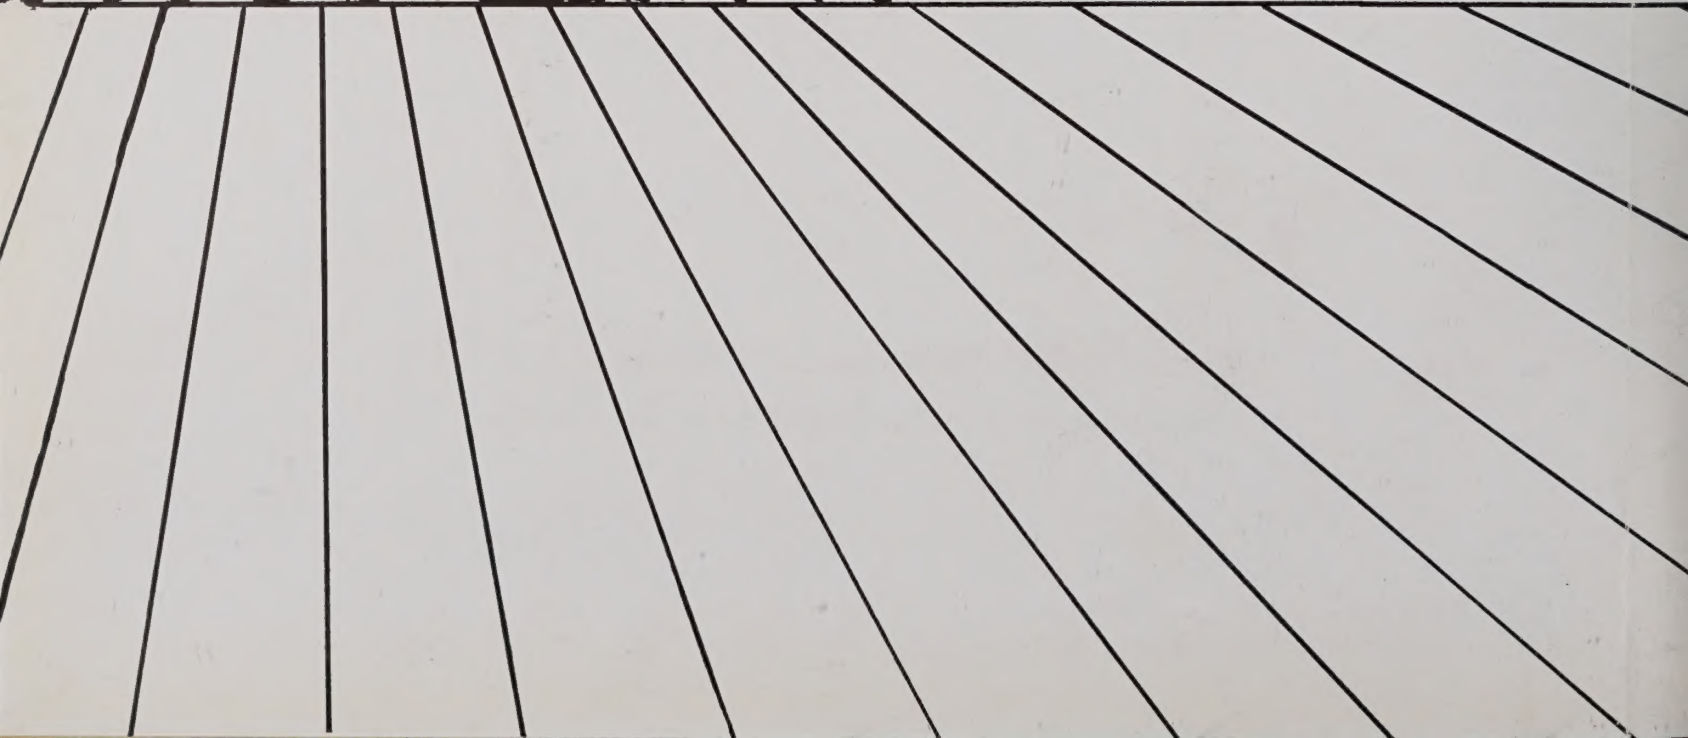

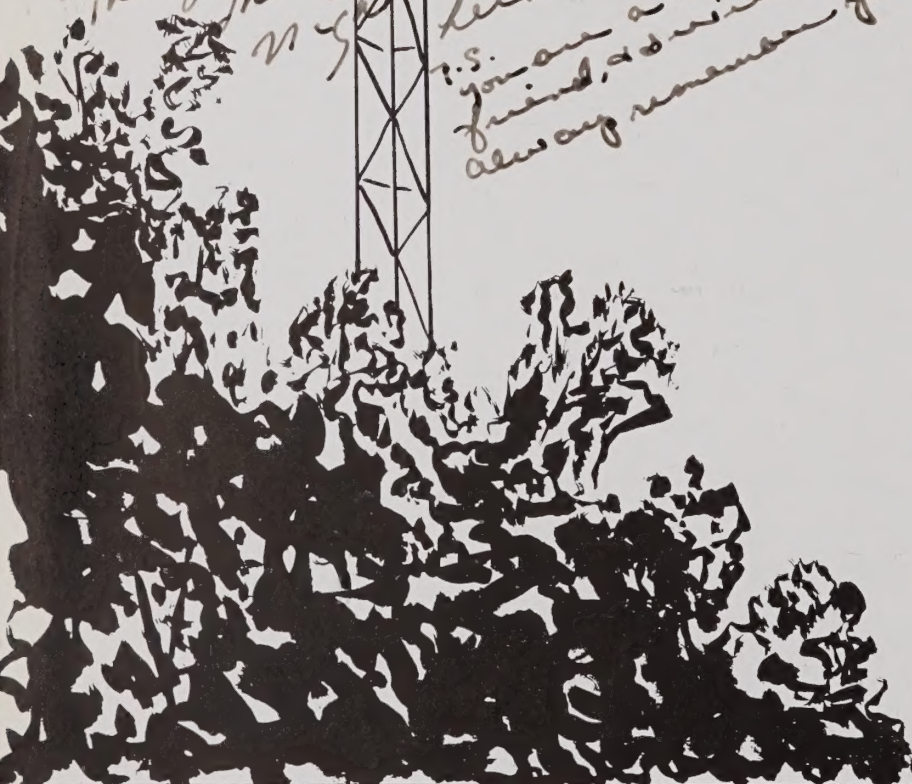

Ann,
It has really been wonderful knowing & living with you on the same hall. I'll see you in Sept! Love to a sweet, wonderful summer

Ann,
Well another couple of years gone and now only a couple more left - I know this year has been the best with Don. You are a darling girl - we are really going to have a time again next year. With love
Chris.

Dear Mr. Lunt:

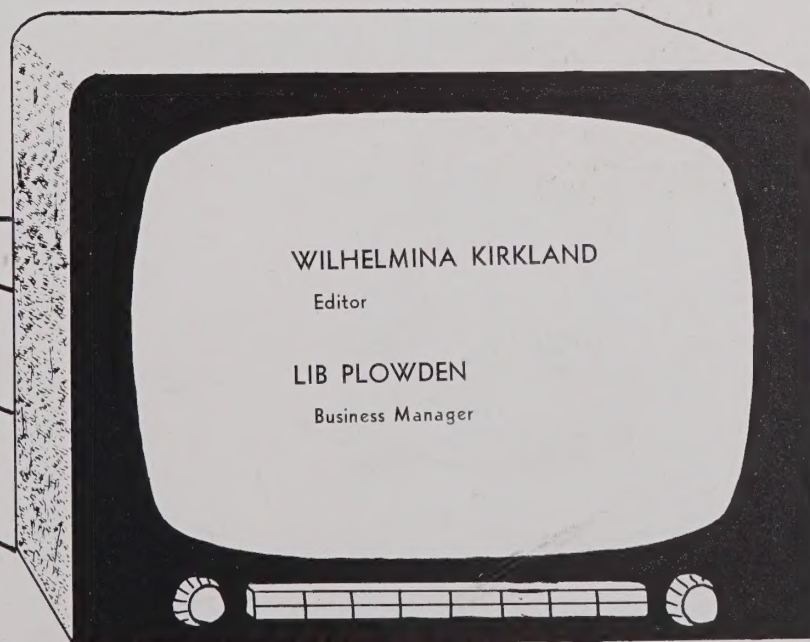

I can hardly believe that two years are
over - seems like only yesterday that we
were at St. Roberts first night when
I met you. From that moment on, I have
considered you as one of my dearest friends.

I shall miss you greatly next year,
but I'll see you when I come back to
visit.

Yours ever, remember, Anne.

I have you.

THE AUDITORIUM—a storehouse of memorable occasions from chapels and comedies to concerts and commencement.

THE MARGARET COKER LAW-

TON MUSIC BUILDING—where music dwells lingering and wandering on as if loth to die.

MEMORIAL DORMITORY—four years of rich living together in “these halls of learning made to magnify our native powers.”

THE ALUMNAE OUTDOOR THEATRE—whose calmness and beauty approach the ideal of nature—a part of all we become at Coker.

THE WILLIAM CHAMBERS COKER SCIENCE BUILDING—where is studied history, or what man has done; art, or what man has felt; science, or what man has proven; and philosophy, or what man has thought.

THE "READING ROOM"—where students read for pleasure, and where much is read, marked, learned, and inwardly digested.

THE AUDITORIUM—mass meeting on Monday morning—in the auditorium—when voting is done, announcements are made, and matters of importance tended to.

DEDICATION

WE THE SENIOR CLASS OF 1955
DEDICATE THE **MILESTONE**

TO

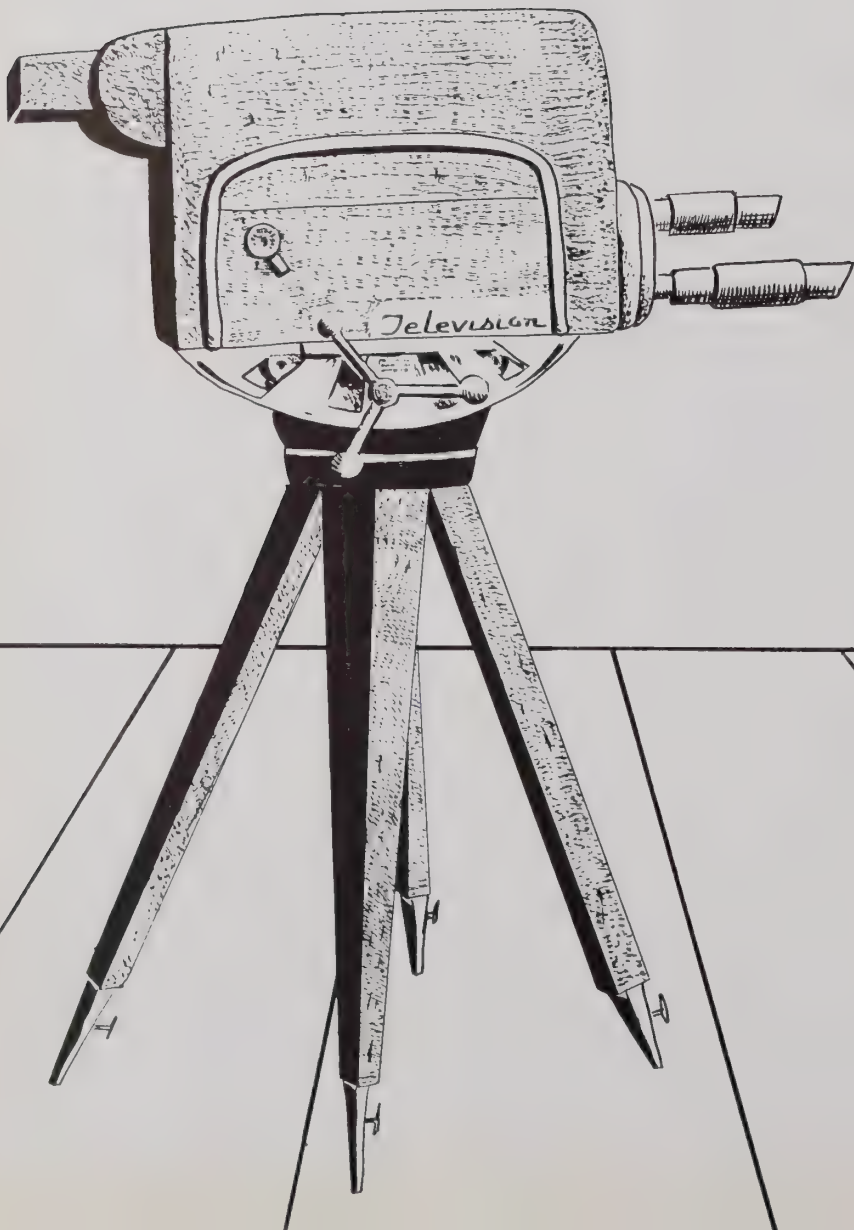

Mr. A. J. Warr

As Supervisor of Buildings and Grounds for thirty-three years, he has competently and faithfully performed his varied duties. He has become as much a part of the campus as the Entrance Gates, the Administration Building, or the Bell Tower. We particularly remember him for his willingness to go beyond the call of duty to undertake any task, great or small, for us.

We feel that our thanks to him have too often been insufficient, and we hope that the dedication of this **MILESTONE** will impart to him our sincere appreciation for his services.

Well, here it is! And all for you. You ask, "Was it fun?" or "Was it worth all the hard work?" We could answer: "No trouble at all;" or "Work, who worked?" However, to tell the truth, it was trouble and work. The headaches started the minute the editor was elected. Many plans and innumerable decisions had to be made before the layout could be drawn. The excitement of receiving the dummy soon faded as the blank pages only reminded us of the work yet ahead. Picture scheduling, photographing, copy writing, copy typing, copy and picture compiling, art work, and proofreading robbed the editorial staff of many movies and hours of sleep. Still you ask, "Was it worth it?" Well, all griping aside, we, the Editorial staff, have had a great time working on the **MILESTONE** and we hope you enjoy your annual.

YOU'LL CHERISH ALWAYS

"What did we do?" You mean you thought the Editorial staff had covered it all? Well, one thing's for sure, we didn't just pat our feet except when our pounding the sidewalks for hours gave way to a patting. "When did we do this?" All those trips to Florence and the business district of Hartsville weren't for pleasure or to buy clothes, but to sell ads. The typing of ads was one of the lesser, but nonetheless time-consuming jobs we had to perform. One more thing kept hounding us—"Bills." Unluckily, these aren't men, but little pieces of paper requesting money.

Incidentally, have you taken a look in the ad section of the 1955 **MILESTONE**? You'll find a great bunch of advertisers who helped to make the edition of this annual possible.

Extra! Extra! Read all about it in the **Periscope**, Coker's student newspaper. News stories, essays, editorials—all about what's happening on campus and whose doing it! Pictures and poems, facts and features!

Staff of students plan, publish **Periscope**. Excellent training, valuable experience in creative writing, editing, open to all students interested in journalism.

IN TOUCH

In one store and out another, tired feet and aching backs, seventy inches of ads at last, and success is theirs. This is the experience of the **Periscope's** Business staff each time a paper is published.

The **Periscope** is off the press and the Circulation Manager sees that every student, teacher, and staff member has a copy.

The Business Manager sends bills to the advertisers and keeps a complete record of the financial status of the **Periscope**.

A TIME TO WORK, A TIME TO PLAY

MARTHA ROGERS
President

ATHLETIC COUNCIL, the nucleus of Coker's Athletic Association, provides the varied sports for our "Time to Play." The intramural tournaments, Athletic Association's picnic, the Hockey Banquet, Play Day, Awards Day, and May Day are a few of the activities sponsored by **ATHLETIC COUNCIL**. Skill and precision in sports are secondary to the ideals of fair play, sportsmanship, and leadership which the **Council** desires to imprint on the lives of Coker girls.

"BULLY WITH THE WHISTLE"

This familiar cry heard each fall announces the beginning of the **HOCKEY TOURNAMENT**. Keen competition between "shinguarded" players from each class makes the games doubly exciting as teams battle for the championship and players, for the prize of being named to the Honor Hockey team at the Hockey Banquet.

TEACHING

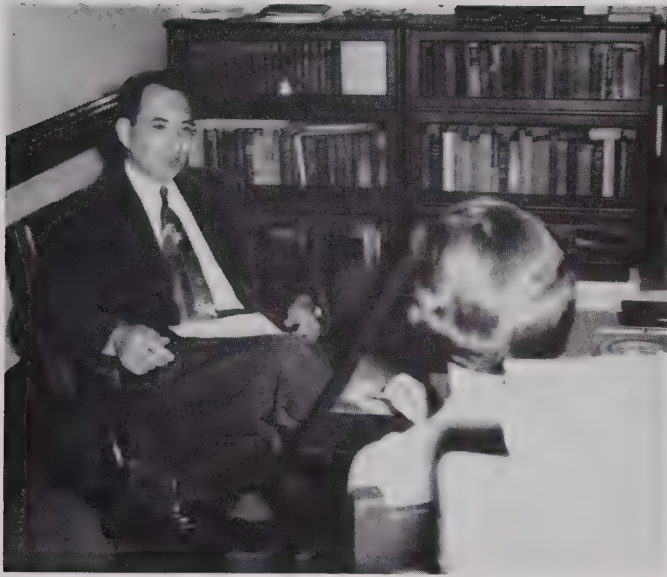

EDUCATION does not mean teaching people what they do not know. It means teaching them to behave as they do not behave. It is not teaching the youth the shapes of the letters and the tricks of numbers, and then leaving them to turn their arithmetic to roguery and their literature to lust. It means, on the contrary, training them into the perfect exercise and kindly continence of their bodies and souls. It is a painful, continual and difficult work to be done by kindness, by watching, by warning, by precept, and by praise, but above all—by example.

—John Ruskin.

Dear Anne,

It really has been wonderful living up in the Morgue with you this year. I sure do appreciate your waking me up every morning. I know you felt like choking me sometimes when I wouldn't get up. You sure were sweet to put up with me.

Gal, I guess you know I think you are a pretty wonderful person, and I sure hope we are going to be able to suite together next year.

I really am looking forward to a lot of good times this summer. I'm expecting you to come down! okey!

see you then,
My love,
Suzanne

Dear Anne,
You know old
the old trite phrases
about how wonderful
it's been. But as old
as it is I mean it
when I say it's been
great. & not knowing
and going to school
with you. Don't let
Don see this but
I swear you'll marry
B.K. All kidding aside
you have my sincere
best wishes for a
full and wonderful
life. Love always,
Janette

Dear Anne,
When it comes time to write
in an annual - your mind
just goes blank - at least mine
does - (seems to me - it's like that
most of the time (?) - But really -
all these things people write
just don't go with me. I think
you know - I think you
are an "all right gal" - been lots
of fun and am looking forward
to some more of the same
next year.

Be good this summer - and
don't keep the roads between
Monroe & Osage too hot.

See ya in September -
Love ya,
LJ

Anne,
Man it's been a heck of
a year and I've loved
every minute of it. I
guess we will be seeing
quite a lot of each other
this summer - you know
wishing those two Hart-
ville boys were there.
You've been a great sweet-
(sweet) mate and I'm gonna
miss not being here next
year. I'm gonna come
to see you though next
year.

Love ya,
Julia

Dear Anne,
This certainly has been a
wonderful year for me -
It is people like you that
made it so. I think you
are a wonderful girl. I
hope I'll see you in
September.

Be sweet, have a nice
summer & keep it on
under control.

Lots of love
Eleanor

Dear Anne,
I have certainly enjoyed this year.
I'll never forget you.
We have had some wonderful times.
I swear when I think of us having
to wait so long years and see each
and then to almost die. I'm gonna
miss smiling at and being "some dear
bun - 198" and so many other things.
It's a damn good thing I'm
getting married. Why don't you get
us?

Stay sweet and be good to Don.

Love always
"Bess"
